

G. W. Neal -
D. J. Jr

- We have rec^d, through the hands of Mich^l. Hoarman -
a note of J^h. K. Larnate - requesting payment of a promissory note of
Cath. & Ch. Larnate - dat^d ~~Jan^y 3rd 1814~~ to the amount of ^{with interest} \$3,92 - payable
at 9 months date - after the 3rd Jan^y. 1814 -

We have refused to pay the same - not only for the improbab-
ility - of its having been ^{ever} paid for a long time - by Cath. Larn^t or her brother
Charles - but because the note itself bears evidence on its back
of having been paid in full - notwithstanding the care taken to
erase the receipts & acknowledgments of payment - by crossing the
lines on the back of that note -

We request you, therefore, - to pay no longer any attention to
this made claim in bar of our due - from John K. Larnate for the
hire of the Woman Harriet & ~~to~~ ^{to} ~~make~~ him pay - for his dealing
has been unfair - with us -

There is a long time since we have heard nothing of our claims
against - Mess^{rs} Philip - Ford - Edrd. Edalson - ^{Ed^d. Mattingley's} Rob^t. Digges - & others of
less amount - ~~as also of that~~ ^{of} ~~sum~~ ^{of} which we w^d be very glad
to be informed & be paid -
