Rev<sup>d</sup> Mother, Pottoboro Nov<sup>r</sup> 8 - 1820 #

It gave me great pleasure  
the other day to hear of your recovery  
from your long spell of sickness. - I have  
some money for you, but there is a report in  
circulation that Miss Catharine Lamaster  
has made no will, and that Richard  
Quinn had search<sup>d</sup> Record and that there  
was no such will on Record, should it  
be so I shall be compell<sup>d</sup> in Justice to  
myself to hold the money &c until  
there is an Admt<sup>n</sup> on her estate, and then  
pay the said money &c over to said Admt<sup>n</sup>.  
but I feel convince<sup>d</sup> that the report is not  
correct - but I see that it will be impropr  
to collect without an Admt<sup>n</sup> on Miss Gri-  
galls and Catharine Lamasters estates, therefore  
you must if you wish me to Admt<sup>n</sup> - send  
me a copy from record of their wills. and a  
nunciation of the executors appointed by  
said dec<sup>d</sup> persons - you will  
let me hear from you as soon as  
possible - I have brought suit  
against Noble Stonestreet, and his perfidly  
mov<sup>d</sup> to it, and dont blame any person,  
Father Francis I saw yesterday and is well,
